

**Plastic we Fetch,
Embrace & Stretch**

WOLVEN THREADS

Noor Legging

The high-waist design flatters any body type while providing supportive & breathable comfort. Include zip pocket on the back of the waistband, offering a convenient place to secure your keys or cards during workouts or while running. Made from post-consumer recycled plastic, comprising 84% RPET and 16% spandex, they combine functionality with sustainability, ensuring you feel good and do good for the planet.
